## Trekking the Fisherman's Trail

Enjoy an exhilarating two-day hike along some of Oman's dramatic and rugged coastline, broken up with an overnight stay in your own private and exclusive Hud Hud beach camp.

Sleeping tents are always with proper mattresses, crisp cotton linen, feather pillows and traditional furnishings. Each sleeping tent has its own private bathroom tent, open to the skies and furnished with soft towels, basin, shower and a selection of soaps and lotions.

Each camp will offer a large, evocative majlis, decorated in a style in keeping with the ambiance of the environment, with cushions and rugs, topical books, boules and board games. Dining is at a properly laid table under the stars beside a crackling fire. Food is, as far as possible, locally sourced and is freshly prepared by our camp chef and always delicious. We use no electric light, other than solar, and the emphasis is on preserving the atmosphere through natural lighting provided by candles, oil lamps and camp fires.

### Day 1

We leave Muscat early in the morning and head to Marina Bandar Rowda where we meet our captain and board a small powerboat. The sail down the coast is past some impressive cliffs that drop directly into the sea and in a short while we reach our starting point, on the beach near Sifah.

Once landed, and socks and shoes put back on, we start the trek which follows the coast towards Quriyat. The going is surprisingly undulating as you hug cliff faces before descending into small wadis and narrow beaches and then ascending the other side to once again have spectacular views down the coast.

After four to five hours of trekking, we reach camp where the Hud Hud team will be waiting to greet you with refreshing towels and cool drinks.

Watch the sunset over the Gulf of Oman from the comfort of your private coastal retreat, before enjoying a well-deserved, fantastic dinner, prepared by our chef, under the stars.

## Day 2

There is no rush this morning and so it is a great opportunity to have a swim in the warm waters of the Sea of Oman before a hearty breakfast. The trek then continues down the coast towards Quriyat.

There is very little in terms of human presence along this stretch of coastline, the only sounds being the birds and waves. There is also a chance of spotting the very shy gazelles that tend to blend into the rocks.

After approximately three hours we will reach Quriyat where your transport will be waiting to take you back to Muscat.
